

CURRICULUM VITAE

Hsin-Po Wang 王新博

Website: <https://www.symbol.codes>

Email: a.simple.people@gmail.com

Google Scholar: <https://scholar.google.com/citations?user=tJ8-ChgAAAAJ>

Education

Ph.D in Math	University of Illinois Urbana-Champaign, Illinois	2016–2021
BSc in Math	National Taiwan University (國立臺灣大學), Taiwan	2011–2015

Employment

Apple Research Fellow January–May 2024
Simons Institute for the Theory of Computing, California

Postdoctoral Scholar October 2022–December 2023
Department of Electrical Engineering and Computer Sciences,
University of California, Berkeley, California

Postdoctoral Scholar October 2021–September 2022
Department of Electrical and Computer Engineering,
University of California San Diego, California

Teaching Assistant September 2016–May 2023
Department of Mathematics, University of Illinois Urbana-Champaign, Illinois

Awards and Honors

Irving Reiner Memorial Award in Algebra 2021

Research Assistant Fellowship Spring 2020

Teacher ranked as excellent by their students Fall 2019, Spring 2019, Spring 2018

Book–Scroll Award (top 5% GPA) Fall 15, Spring 14, Spring 13, Fall 12, Spring 12, Fall 11

Prof. Cheng-Tang Hsiao Memorial Scholarship (蕭正堂紀念獎學金) 2014

Prof. Ta-Kai Hu Memorial Scholarship (胡達開先生紀念獎學金) 2013

Research Interests

Information theory • Coding theory • Polar codes (wireless communication) • Distributed storage and distributed computation • Group testing • Applications of algebra, combinatorics, calculus, probability theory and other mathematics tools

Peer-Reviewed Conference Publications (New to Old)
